CONSULTING ENGINEERS

INTRODUCING ENHANCED CIVIL AND STRUCTURAL ENGINEERING SERVICES for Our Customers

KYLE ASSOCIATES, LLC is proud to announce our strategic alliance with New Orleans-based **Avegno, Bailey & Associates Consulting Structural Engineers**.

Through this union, Avegno, Bailey & Associates will become a part of Kyle Associates, which greatly enhances our structural engineering experience and staff, as well as our ability to offer clients both civil and structural engineering services from a single consultant. Additionally, Kyle Associates full range of expanded services will be also be available to Avegno Bailey's client base.

Kyle Associates works with both municipal and private clients – from local and state governments to regional and national corporations – throughout Louisiana, the Mississippi Gulf Coast and other parts of the southeast.

Our wide range of services include:

- *Engineering*
- *Planning*
- *Landscape Architectural Consulting*
- *Program Management*
- *Construction Administration*
- *Project Inspection*
